

RAISE Summit

▼ Task Details

10:40 AM Hey Jim, for the RAISE Summit / France return flight, can you look into flights going from Nice, France to SFO, with 1 stop?

10:40 AM I think that is better than traveling back to Paris.

12:18 PM err, actually, we might want to leave from Geneva now

4:28 PM Hey Jim, I've booked the flights and hotels for my RAISE Summit / France trip. Do you have bandwidth at the moment to help with planning other aspects of the trip?

- We're thinking of traveling from Paris to Annecy on Wednesday. Could you research trains from Paris train station to Annecy (preferably non-stop / no transfers) that day?
- Could you help planning out dinner reservations and lunch options for Paris (7/8) and Annecy (7/9 - 7/12)? Please run these by me before booking (I can give you my personal credit card info for this)
 - [\(Some options here maybe\)](#)
